

SUPPORT NEEDED

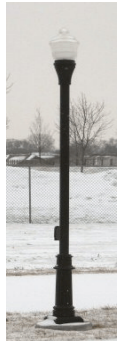

We are currently trying to pay off the mortgage and complete the project. Any form of donation is welcome and will be used only for the Safety Village. Below are some ideas of levels available.

Sponsor a car and your name will appear on the side (similar to NASCAR) showing your support as the little tikes drive around the Safety Village.
\$ 500.00 per year

The light pole will illuminate with your name on a plaque. As visitors stroll through the Safety Village, they can see how you helped light up the way. \$1,000.00 includes a permanent plaque.

Currently, one of our four High Rises is available for occupancy. These will be the tallest buildings (two story) in the center of the Safety Village. Similar to the High Rises in Chicago, ours is broken into office areas for eight businesses. Your business name will appear on the outside of the building giving proper recognition. Offices start at \$5,000 for a 5 year lease. ((Longer leases available)

The cost of the sign on buildings will be the buyer's expense.

Should you prefer a separate building, we have free-standing, single story buildings. These can be built to match your existing business, naturally, a little more expensive due to the originality of the building. Costs range from \$10,000 to \$15,000, depending on the blueprints. We can also work with your carpenter at a reduced rate and have existing sites ready for occupancy.

Hall Of Fame

These are general monetary donations that are used as needed in the Safety Village. Your name will appear on our "Tree Of Life" in the foyer of the Administration Building.

- Diamond - \$100,000 & up
- Platinum - \$50,000 & up
- Gold - \$10,000 & up
- Silver - \$5,000 & up
- Bronze - \$1,000 & up

Our pond needs a fence so those little drivers don't end up in the water. We want to construct vinyl fencing so it will for last many years. Any donation welcome!

* * *
In front of the Survive Alive House, a brick can memorialize a loved one's name or just give recognition of support.
\$75.00 per brick
