“Sponsor a Class” Program

Tri-Town Safety Village is a 501(c) (3) organization that teaches children the importance of Safety in the areas of FIRE, POLICE, RAILROAD, GAS and ELECTRIC. This is primarily accomplished through field trips at the 2nd, 3rd, 4th, and 5th grade levels. Our award winning facility has state of the art technology and some of the best instructors in the field. Our Safety Village includes several child-sized buildings, paved streets, working traffic lights, a train depot complete with an antique caboose, and a Survive Alive House that simulates an actual fire with smoke.

We are reaching out to local businesses and private individuals with the “**Sponsor a Class Program**” to better serve some areas that have been hit hard by school budget cuts. We urge you to please consider this potentially lifesaving program. Our costs are \$5.00 per student. There is no charge for teachers and adult chaperones. All donations are greatly appreciated and are 100% tax deductible.

Sponsor 10 children	\$ 70.00
Sponsor 20 children	\$140.00
Sponsor 25 children	\$175.00
Sponsor 50 children	\$350.00
Sponsor 100 children	\$700.00

Sponsor an entire Grade Level – amount determined by the attendance count of that grade.

Thank you for your time and consideration of support for our program and educational facility.
